Subject: -Invitation for consultative meeting on **19th August, 2018 at Gorakhpur** for private sector engagement to join hands with Government of UP and National Health Mission to reduce mortality from AES in 7 (seven) high endemic districts in eastern Uttar Pradesh – hosted by MAMTA and PATH

Dear,

Greetings from MAMTA Health Institute for Mother and Child (MAMTA-HIMC)!

We have pleasure in informing you that MAMTA-HIMC has recently entered in to an agreement with PATH for engaging Private health care sector for early identification, management and timely referral of AES/JE patients in 7 high endemic districts in eastern Uttar Pradesh.

With active engagement of IMA, IAP and other stakeholders a one-day informal brain storming meeting was held on 15th July in Lucknow to discuss strategies for collaboration/partnership with each other to support GoUP in its initiatives for addressing AES/JE in 7 high endemic district in eastern Uttar Pradesh.

To carry forward the decision taken on 15th July and seeking guidance and support to the state we are planning to have an interactive workshop on 19th August 2018 at Gorakhpur. **Hon'ble MLA Shri Dr R.M.D Agarwal.** Commissioner of Gorakhpur Division, District Magistrates and Chief Medical Officers of Gorakhpur and Basti, Officials from GoUP responsible for Communicable and Vector borne disease control program are being engaged for participation in the meeting along with IMA, IAP, BMGF and PATH colleagues.

Your active participation and expertise in the meeting will help in the effective engagement of Private sector to support Govt. of UP in its efforts to address the burden of AES/JE in the state.

A Public-Private Coordinated Response Towards Effective Management of AES in Eastern Uttar Pradesh

19-August-2018

**Venue-Railway Officers Club, Near GM Office NE Railway, Railway stadium Colony,
GORAKHPUR UP**

Timings-1:00 PM – 5:00 PM

Uttar Pradesh being the largest state of India with over 200 million population accounts for the largest number of cases of AES/JE in the country. In order to ensure effective management of AES, it is necessary to strengthen the engagement of public and private sector health care providers and health facilities to help in early identification, management and timely referrals of AES. MAMTA-HIMC in collaboration with PATH is working towards establishing a common platform bringing all the high level stakeholders (public as well as private sector) together to facilitate a coordinated response.

The intent of this meeting is to seek high level commitment and support of all the stakeholders at the state/district level including National Vector Borne Disease Control Program (NVBDCP), Commissioners, Chief Medical and Health Officers (CMHO) of the Gorakhpur and Basti Districts, Indian Medical Association (IMA), Indian Academy of Pediatrics (IAP) and public health experts from the Medical colleges (Indian Public Health Association (IPHA)/Indian Association of Preventive and Social Medicine (IAPSM)) for developing roles and responsibilities for the effective engagement of private sector health care providers in the AES management.

Key objectives:

1. To bring public and private partners on a common platform to seek commitment of State's response on AES/JE
2. To provide the most updated knowledge on AES/JE in terms of aetiology, diagnostics and management supported by scientific evidence as well as state's preparedness for the same.
3. To develop collaborative pathway for strengthening private sector engagement in reducing morbidity and mortality in children under 15 years of age.

Strategy:

1. Get highest of political and bureaucratic leadership to interact with professional bodies (IMA, IAP, IPHA, IAPSM)
2. Expert's talk, listen and decide the way forward on various aspects of AES/JE management
3. Organise an interactive session for understanding concerns from private practitioners and take their key recommendations for addressing the same.

To,

✓ Dr. Naim Ahmad,
Associate Professor,
Department of Community Medicine & Public Health,
King George's Medical University, UP,
Lucknow.

Through: Head, Department of Community Medicine & Public Health, K.G.M.U., UP, Lucknow.

Dear Sir,

I have to inform you that the matter regarding consideration of Disciplinary Committee report dated 02.01.2017 regarding the matter of charge of teaching experience leveled against you was put up before the Executive Council Meeting held on 26 & 27 September, 2017 at Agenda Item No. 4(i) for consideration & decision are as follows:-

Agenda Item No. 4

- i) To discuss and take decision on the reply of Dr. Naim Ahmed, Associate Professor, Community Medicine & Public Health Department of this University on the disciplinary committee report served to him vide letter no. 7474/B-17 dated 03.01.2017 and letter no. 8001/B-17 dated 27.01.2017.

Resolution:-

Registrar, KGMU informed the Hon'ble Executive Council members regarding "Conduct of Teachers" - Section 41(d) 10.07 & Section 41(d) 11.06 about punishment. In view of the above provisions Hon'ble Executive Council Members resolved as under:-

- Report of the disciplinary committee was approved.
- The teaching experience of "Era Medical College, Lucknow" not to be considered for promotion of Assistant Professor in the Department of Community Medicine & Public Health, KGMU.
- One salary increment be stopped for one year and the payment of salary & arrears be paid as per financial rules.
- Promotion from the post of Lecturer to Assistant Professor be re-determined after completion of three years teaching experience in the Department of Community Medicine & Public Health, KGMU and there-after earlier promotion from Assistant Professor to Associate Professor be also re-determined as per rules accordingly.

In compliance of the above decision taken by the Executive Council and on the basis of the Disciplinary Committee report, I have been directed by the Hon'ble Vice Chancellor to communicate you that the following proceeding will be done as under:-

- Your teaching experience of "Era Medical College, Lucknow" will not be considered for promotion of Assistant Professor in the Department of Community Medicine & Public Health, KGMU.
- Your one salary increment will be stopped for one year and the payment of salary & arrears will be paid as per financial rules.
- Your promotion from the post of Lecturer to Assistant Professor will be re-determined after completion of three years teaching experience in the Department of Community Medicine & Public Health, KGMU and there-after earlier promotion from Assistant Professor to Associate Professor will also be re-determined as per rules accordingly.

Yours faithfully

Dr. Naim Ahmad
